

The February Blues XI

Featuring Harry Manx & Kevin Breit

Twin-Win for Blues Guitarists!

Harry Manx for SOCAN's Songwriter of the Year award and a shared spotlight with Kevin Breit for Acoustic Act of the Year. As two of the best guitar players found anywhere, it's clear these players were made for each other. Manx and Breit have collaborated on two solid albums, the current *In Good We Trust* and the award-winning *Jubilee* in 2001.
